

InspireMe360 – Transportation Information

Arrival & Day 1 Transportation ■

InspireMe360 does not provide transportation on Day 1 to or from the retreat mansion. Many guests fly in from different locations, and due to the variety of travel arrangements, we are unable to coordinate this portion of your journey. We want you to have the flexibility to plan your arrival in the way that works best for you.

Driving & Parking ■

If you live in Canada or choose to rent a car, you are welcome to drive to the retreat venue. Free on-site parking is available for all guests. This option gives you the freedom to explore the surrounding area during your personal time.

Daily Personal Time ■

Each day, you will have 2-3 hours of personal time to rest, recharge, or explore. If you have a vehicle, you are free to enjoy scenic drives or visit nearby attractions.

Car Rentals & Recommendations ■

We recommend using www.carrentals.com for the best rates on vehicle rentals. This platform offers a wide selection and competitive pricing to make your travel easier and more affordable.

Transportation During the Retreat ■

All transportation for excursions and planned activities during the retreat is fully included. Sit back, relax, and let us take care of getting you to and from each scheduled experience.
